

TICK TOCK GOES THE CLOCK
BY JACQUES MARCIANO

Tick tock goes the clock,
Twenty-four hours in a day.
Tick tock goes the clock,
Little time do we have to play.
Tick tock goes the clock,
Working, toiling, and laboring.
Tick tock goes the clock,
Getting up in early this morning,
Tick tock goes the clock.
Every second just flies away,
Tick tock goes the clock
Watching the sun's bright leaving rays,
Tick tock goes the clock.
